“A PHOTOGRAPHER FOR EURAZEO” - 2017 EDITION

RE-ENCHANTING THE CORPORATE WORLD

Eurazeo is again organizing its yearly photography competition: “A photographer for Eurazeo.” The winner will receive €10,000 and his or her works will be exhibited for one month at Espace Central DUPON Images (Paris, 18th district).

For this 8th edition of the Grand Prix, the jury has selected the theme “Re-enchanting the corporate world.”

Photographers are invited to delve into their imagination and offer their interpretation of this theme. Care should be taken to present a coherently structured photo series that reflects a personal and committed vision.

The photographs of short-listed submissions will be presented to a ten-member jury comprising professionals from the world of photography and Eurazeo representatives and presided by Jean-Francois Camp, Chairman and CEO of Central DUPON Images.

A leading listed European investment company, Eurazeo has supported photography for over ten years through the acquisition of original works that are featured in its Annual Review and exhibited at its Paris and New York offices. In 2010, Eurazeo took this policy a step further by creating a photography competition to reward the work of a professional or student photographer on a given theme.

PARTICIPATION TERMS

The participation terms are described in the contest rules available at www.eurazeo.com or on request from the company.

Participants are asked to submit their presentation no later than October 15, 2017.
